Grant Autism Spirituality Questionnaire (GASQ)

Please complete the following questionnaire. Try to provide as much information as possible.
If you are unsure about a question please indicate that you are unsure or do not know.
This information will be valuable in helping the church meet the needs of your family.
Please add any additional information that you feel would be relevant.

1) Tell us about your child’s developmental and functional levels.

2) Tell us about your child’s social functioning/skills level.

3) Does your child understand metaphor and analogy? (Explain)

4) How would you describe your child’s current spiritual thoughts and beliefs?

5) Does your child currently talk about God? If so, in what ways?

6) What has your child’s exposure been to spiritual (God) issues?
7) Does your child have any sensory issues that might be disturbed in a Sunday school or church setting?

8) Do you know of any spiritual/God/church issues that your child currently struggles with?

9) If you have attended church in the past, what problems or issues, if any have you encountered?

10) What are your expectations of the Church/Church staff?

11) In what ways would you like the church to assist you with your child’s spiritual journey?
